

## But du jeu :

arriver le premier dans la tête de la chenille.

## Règle du jeu :

- Chaque joueur prend un pion et le place sur la case **départ**.
- A tour de rôle, chaque joueur lance le dé et avance du nombre de cases correspondant en énonçant les chiffres dans la langue de son choix.
- Le joueur qui arrive sur une case avec une échelle doit la monter si elle est rouge ou la descendre si elle est bleue.
- Le gagnant est celui qui arrive le premier sur la dernière case.
